PURUS

RSK 3032544

Adaptor couplings are used to connect two waste water pipes with different dimensions, as well as waste water pipes with the same or different materials and surface structure. Adaptor couplings are suitable for vertical and horizontal installation. They have two sides, both with hose clamps for external installation of waste water pipes. They are easy to install in a few minutes and are approved for concealed placement. The material is UV-resistant.

Specifications

RSK Number 3032544

Function Transition seal inside/outside

Item Color Black

Material EPDM, Acid-resistant stainless steel

1.4404

Outlet Dimension 170-192/144-160 mm

Pressure Flow 0,6 bar Temp

Version Type approved for consealed installation
