The Brage 75 Vertical NOOD floor drain has a 75mm vertical outlet and is for installation in wooden or concrete joists. The Brage floor drain comes complete with a removable NOOD water trap, clamping ring and plastic grate. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. It also acts as a 1m water column and prevents backflow. The floor drain also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.
