

RSK 7110405

The S-Series Oden is a floor drain with a 75mm side outlet for installation in wooden or concrete joists. The S-Series Oden floor drain comes with a removable water trap and stainless steel clamping ring. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The clamping is for vinyl flooring with a thickness of up to 3 mm.
