

RSK 7118095

The Sigex 75 R floor drain has a 75mm side outlet and three extra inlets. Only one of the extra inlets should be used. The floor drain is suitable for installation in wooden or concrete joists and comes with a stainless steel water trap, clamping ring and stainless steel grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.

## Specifications
