

RSK 7098057

The Tryggve floor drain has a 75 mm side outlet and is for installation in concrete joists with vinyl floor finishes. The floor drain is manufactured in epoxy coated cast iron and comes complete with a lockable brass water trap, locking set, clamping ring and stainless steel grate. It is approved by MSB for installation in shelters.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.

## Specifications
