

RSK 7110772

The Ymer 75 Side floor drain with Nordsjön Support has a 75mm side outlet. It is suitable for installation with the Nordsjön Support in concrete joists. The Ymer floor drain comes complete with a removable water trap, clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain. The floor drain is manufactured in weldable PEH plastic.

Specifications
