

Item 153462-E

The Minimax 50 Square floor drain has a 50 mm side outlet and a low total height of 86mm. It is suitable for installation in concrete joists with a tiled floor finish. The Minimax Square floor drain comes complete with a removable NOOD water trap and square stainless steel grate for tiled floors. The NOOD water trap is a mechanical trap which closes when there is no water present, thus preventing any foul air from escaping through the drain. It is not suitable for installation underneath a bath tub.

Specifications

Item Number	153462-E
