

Item 53030

Basin/bidet waste PUM in plastic with 1¼" / 1½" connection. Designed to fit outlet pipes with a diameter of 42.9/40/32mm. The Purus Universal Membrane, functioning as an odour stop, is integrated in the waste bend and is located in the pipe for easy cleaning. The PUM/odour stop replaces the usual water trap and thus saves space. The PUM basin/bidet waste bend should be installed in conjunction with standard vertical valves.
