

RSK 8075628

Vanity unit water trap kit with PUM. Includes a 1¼" / 1½" waste bend and a cuttable 40mm diameter outlet hose for wall or floor connection. The odour barrier (membrane) is integrated in the waste bend and is positioned within the pipe for easy cleaning and maintenance. The PUM replaces the usual bottle water trap, saving space in the installation area. The water trap kit comes with a floor cover.
