

RSK 7115491

The Purus Line Vinyl Plus 600 is a designed floor drain for vinyl flooring with a 50 mm end outlet for installation in wooden or concrete joists. The floor drain comes with a removable NOOD water trap, stainless steel clamping frame and a concrete installation kit. The NOOD water trap prevents any foul air from escaping through the drain even if there is no water present. Mounting rails for wooden joist are available to purchase separately. The Purus Line Vinyl Plus must be installed at least 200 mm from the wall.

RSK 7115492

The Purus Line Vinyl Plus 700 is a designed floor drain for vinyl flooring with a 50 mm end outlet for installation in wooden or concrete joists.
