

RSK 7152419

The Balder 50 P Vertical untrapped floor drain has a 50 mm vertical outlet and is for installation in wooden or concrete joists. The Balder untrapped floor drain comes with a clamping ring and plastic grate. It also comes with a protective cover that is intended to prevent any concrete or debris from installation from entering the drain.

The automatic clamping ring is used for both sealing membrane and vinyl flooring. It is a self-adjusting clamping ring for vinyl flooring with a thickness of 1,5 mm to 2 mm.
